Reply to Request for Deadline Extension for the Perpetual Care Plan

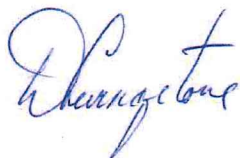

Natalie;

Thank you for your letter of June 3, 2020 requesting an extension of the deadline for the submission of the Perpetual Care Plan (PCP).

As you are aware, under Section 4.2 (b) of the Environmental Agreement, the PCP was to be submitted as a completed document by June 9, 2020. The request for the delay is unfortunate and while agreeing to the schedule extension as outlined by Alex Lynch (GNWT) on June 1, 2020, the Board is anticipating that there will be no future delays.

Thank you again for the notification and we look forward to receiving the completed report by the end of November. Should you have any questions in this regard, please contact me through the GMOB office.

Sincerely,

David Livingstone
Chair, Giant Mine Oversight Board.
